St. Peter Catholic Church · Greeley

Cantemus Domino!

**Singers wanted** to rediscover and sing the Catholic Church's treasury of sacred music — plainchant, Gregorian chant, Renaissance polyphony, and new compositions, in both English and Latin — for our prayer and worship at selected Saturday 5:00 P.M. Masses (about once a month).

Rehearsals will be kept to a minimum, so strong music reading skills are a must. Men's and women's voices are sought, and singers of all ages are welcome. No long-term commitment is necessary. Please send an email indicating possible interest to Mark at:
