## O Mother of Perpetual Help

ORGAN

1. O Moth-er of Per-pet-ual Help, To thee we  
2. Per-pet-ual help we beg of thee, Our souls from  
3. And when this life is o'er for me This last re-

come im-plor-ing help; Be-hold us here from far and  
sin and sor-row free; Di-rect our wan-d'ring feet a-  
quest I ask of thee; Ob-tain for me in Heav'n this

near To ask of thee our help to be. Be-hold us  
right And be thy-self our own true light. Di-rect our  
grace, To see my God there face to face. Ob-tain for

here from far and near To ask of thee our help to be.  
wan-d'ring feet a-right And be thy-self our own true light.  
me in Heav'n this grace, To see my God there face to face.
