

MUSIC SELECTIONS

For a Wedding Ceremony, omit any item with a (Nuptial Mass) beside it. Within each area are the most common selections for each; many items will work well in multiple categories. Please feel free to choose something not listed after a discussion with the Organist/Clergy. Secular music is not permitted within the Catholic Liturgy and should be reserved for the reception. A [YouTube](#) playlist has been provided with the majority of these selections for you listening to assist in your selections.
