

With Drone

The *puncta cava* (open notes) indicate where a male chorus can sing a drone. These drones are always a fifth apart on either the RE and the LA or the DO and the SOL. Then for the sections with a brace above, instead of droning, the melody is sung in parallel, either a fifth above or below. The drone should only be interrupted at the double bars.

☩ Pray for us, O holy Mother of God.

℞ That we may be made worthy of the promises of Christ.

Let us pray,

ALmighty, everlasting God, who with the cooperation of the Holy Ghost didst prepare the body and soul of the glorious Virgin Mary, to make it fit to be the worthy dwelling of Thy Son; grant that by the loving intercession of her in whose commemoration we rejoice, we may be delivered from present ills, and from everlasting death. Through the same Christ our Lord. ℞ Amen.
