In Psalmum 54. ad 1. versum

EX tractátu sancti Augustíni Epíscopi super Psal-mos

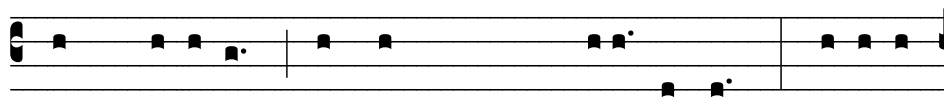

Ex-áudi Deus oratió-nem me-am, et ne despéx-e-ris depre-

catió-nem me-am : inténde mihi, et exáudi me. Satagéntis,

sollíciti, in tribulati-ó-ne po-sí-ti, verba sunt is-ta. Orat

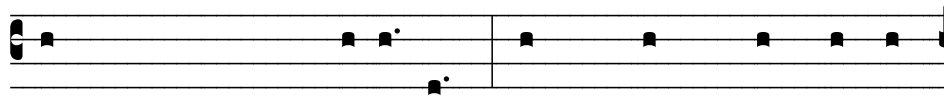

multa pá-ti-ens, de malo liberári desí-de-rans. Súperest

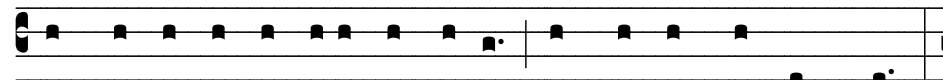

ut vide-á-mus in quo malo sit : et cum dícere coé-perit,

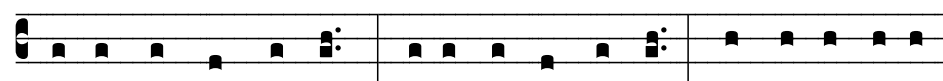

agnos-cá-mus ibi nos es-se : ut comunicá-ta tribulati-ó-ne,

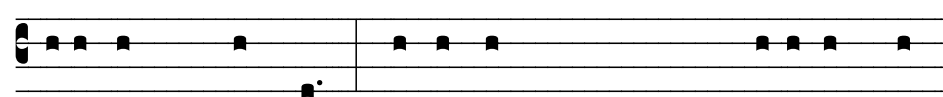

conjun-gá-mus ora-ti-ó-nem. Contris-tá-tus sum, inquit,

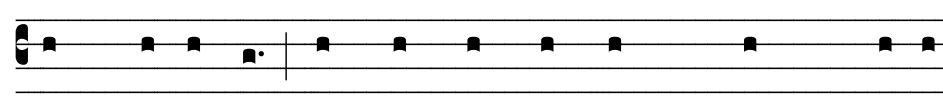

in ex-er-ci-ta-ti-ó-ne me-a, et contur-bá-tus sum.

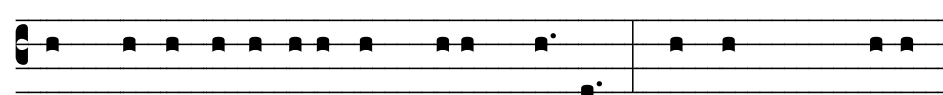

U-bi contris-tá-tus ? Ubi contur-bá-tus ? In ex-er-ci-ta-

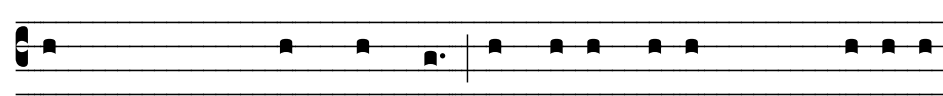

ti-ó-ne mea in-quit. Hó-mi-nes malos, quos pá-ti-tur, com-

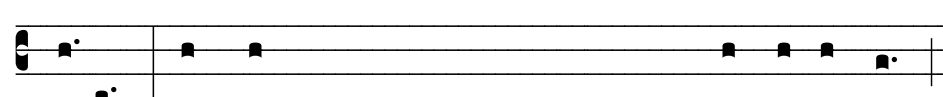

memo-rá-tus est : eam-dém-que passi-ó-nem maló-rum hó-mi-

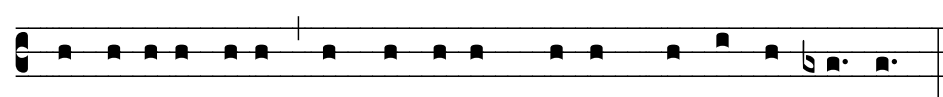

num, ex-er-ci-ta-ti-ó-nem suam di-xit. Ne puté-tis gratis

esse malos in hoc mun-do, et nihil boni de illis á-gere

De-um. Omnis malus aut í-de-o vivit, ut cor-ri-gá-tur :

aut í-de-o vivit, ut per illum bonus ex-er-ce-á-tur.
