Empress of the highest,
Mistress over the lowest,
Chosen path of Heaven,
Held fast by faithful hope,
Those separated from you far,
Recalled to you, unite
In your fold!

Good mother we ask
grant us what we desire;
do not so cast off sinners
that you ignore those praying;
the unfaithful disowned Him;
your own trust you,
standing by your Son,

Mother of our Saviour, hail!
Chosen vessel! Sacred Grail!
Font of celestial grace!
