Gospel Acclamation

Al - le - lu - ia, Al - le - lu - ia, Al - le - lu - ia.

Gregorian Chant is ... the chant proper to the Roman Church, the only chant [music] she has inherited from the ancient Fathers, which she has **jealously guarded for centuries** in her liturgical codices, **which she directly proposes to the faithful as her own, and** which she prescribes exclusively for some parts of the liturgy... On these grounds, **Gregorian Chant has always been regarded as the supreme model for sacred music...** The ancient traditional Gregorian Chant must, therefore, in a large measure be restored to the functions of public worship...

—Pope Saint Pius X, *Tra le Sollecitudini*, November 22, 1903
