

*From the Second Evensong of Candlemas through  
Evensong of Wednesday in Holy Week.*

QUEEN of the heavens, we hail thee, Hail thee, La-dy of all  
 the Angels; Thou the dawn, the door of morning, whence  
 the world's true Light is ris-en: Joy to thee, O Virgin glo-  
 rious, Beau-ti-ful beyond all other; Hail, and farewell, O  
 most gra-cious, In-ter-cede for us al-way to Je - sus.

∩ Pray for us, O holy Mother of God.

⊗ That we may be made worthy of the promises of Christ.
