Holy Redeemer Choir Section Leader 2021-2022 OPENING FOR BASS

Holy Redeemer Catholic Church hires four section leaders for the Holy Redeemer Choir each season. The section leaders sing with the volunteer members of the choir at all rehearsals and performances during the choir season, which runs from late August through mid-June. They are also expected to sing any solos that arise throughout the season.

The section leaders serve as anchors of the choir through excellent sight-reading skills and refined choral sound. Just as important as their musicianship is their ability to support the choir family: to be a friendly, caring member of the church community and to help the choir in its mission of showing God's love for his children through sung prayer.

The choir offers the gamut of Christian musical heritage, including traditional hymnody, Gregorian chant, Renaissance motets, black American spirituals, modern choral works, and contemporary hymns. The section leaders should be familiar with at least some of this tradition, and willing to learn any styles that are unfamiliar. A basic familiarity with Church Latin diction is also helpful.

The pay is **\$50/call**, with two calls on average per week: Thursday evening rehearsals 7:30-9:00pm, and Sunday Mass at 10:00am (9:30 call). Additional performances include Christmas Eve and Day, a January concert, Holy Week, and a May concert.

The Holy Redeemer section leaders are offered the additional opportunity to serve as cantors for Sunday Masses if desired (\$25/Mass stipend offered).
