1. Praise the Lord from the heavens,
2. Praise him, sun and moon;
3. Let the kings of the earth and all peoples,
4. Praise the name of the Lord,

praise him in the heights;
praise him, all you shining stars.
the princes and all the judges of the earth,
for his name alone is exalted.

Praise him, all you his angels,
Praise him, you high - est heavens,
Young men too, and maidens,
His majesty is above earth and heaven,

praise him, all you his hosts.
you waters above the heavens.
old men and boys.
and he has lifted up the horn of his people.
