

The **Trinity Compline Choirs** will chant Compline on five consecutive Sundays during **Lent** in historic Trinity Episcopal Church @ 7 p.m., corner of Nevada and High streets, Nevada City.

Sunday March 5th: The all male Trinity Compline Choir

Sunday March 12th: The all female Voces Angelorum

Sunday March 19th: Renaissance Man

Sunday March 26th: Illuminare: the Reynolds' family

Sunday April 2nd: Voces Angelorum

What is Compline? Historically it's the 7th and final short chanted prayer service at the end of the Monastic day; a quiet good night to God. Lent is the 40 day season of preparation and interior reflection before the celebrations of Easter.

Compline enhances that preparation. The only illumination is a 94 candle array in the Nave to enhance the ambience. There is no accompaniment, save some wayward hand bells. All music is appropriate for Lent; echoes from centuries past with a variety of harmonized music and an abundance of plainsong and Gregorian chant. There is no sermon; no offering; little participation; only quiet reflection and the choir projecting its sonic imprint from the loft. Join us during this humble season and bring a friend.
