With no - ble child - ren you a - bound;
The tor - ments of Saint Stan - is - laus
To king - ly fu - ry did not yield:
Not sa - vor, your bru - ta - li - ty;
And praise Thee with un - cea - sing love:

And to the King whose kind - ly hand
Shine forth to all in ev - ry place
Now for his peo - ple in dist - ress,
And when the sword did strike him too
The mar - tyr's prayers we now im - plore

He gained a mar - tyr's vic - tor - y.
To wor - ship Thee with him a - bove.
