The *Constitution on the Sacred Liturgy* reminds us that it is the liturgy “through which the work of our redemption is accomplished,” and that “the musical tradition of the universal Church is a treasure of inestimable value, greater even than that of any other art.” It is therefore fitting that this fine collection of hymnody should be gathered in this hymnal for the adornment of the liturgy in praise of Almighty God, and for the edification of His people. Such a hymnal will be of great use to the congregation at St. Paul’s Church in Harvard Square, as well as to the universal Church. We are very happy that St. Paul’s continues its rich tradition of musical leadership in this important aspect of Church life.
